CENTRAL VALLEY FLOOD PROTECTION BOARD
RESOLUTION NO. 08-27
RESOLUTION APPROVING MEMORANDUM OF AGREEMENT WITH
DEPARTMENT OF WATER RESOURCES

WHEREAS, the California Legislature enacted significant new flood management legislation that took effect January 1, 2008, which renamed the Reclamation Board the Central Valley Flood Protection Board (Board) and gave it new responsibilities; and

WHEREAS, the passage of the new legislation and Propositions 1E and 84 require adjustment of the existing programmatic and administrative relationship between the Board and the Department of Water Resources (DWR) so that the Board may carry out its new and existing responsibilities; and

WHEREAS, because flood management in the Central Valley is vital to the safety and well-being of the people of the Central Valley and to the economic health of the State as a whole, it is the desire of the Board and DWR to maintain their existing cooperative relationship and to enter into a Memorandum of Agreement which governs the programmatic and administrative relationship between them while preserving the Board's and DWR's independent authority and jurisdiction relating to flood management in the Central Valley.

NOW, THEREFORE, BE IT RESOLVED BY THE CENTRAL VALLEY FLOOD PROTECTION BOARD THAT:

The Board approves the Memorandum of Agreement with DWR in substantially the form attached to this resolution and authorizes the President to execute it on behalf of the Board.

PASSED AND ADOPTED by vote of the Board on _____, 2008

Benjamin F. Carter
President

Maureen (Lady Bug) Doherty
Secretary

11. The Board shall decide all Sacramento-San Joaquin Drainage District real estate matters, except as delegated in this paragraph. The Board hereby delegates authority to the Director of DWR, with the authority to redelegate, the responsibility for all real estate support services required by the Board, except those which in the judgment of the Board or DWR require the attention of the Board for policy or other purposes. Real estate support services include but are not limited to maintaining real estate records, appraising property, preparing maps, negotiating acquisition of property and preparing necessary documents, acquiring necessary lands, easements and rights of ways and arranging for any necessary relocations on behalf of the Board for projects approved by the Board, executing right of entry permits, arranging for project-related utility relocations, preparing resolutions of necessity when eminent domain is warranted, requesting, where necessary, cancellation of taxes on land acquired by the Board and managing existing real estate holdings, including management of leases. DWR shall maintain a list of properties held by the Sacramento and San Joaquin Drainage District, noting existing uses and leases.
12. DWR shall continue to support the Board in its cooperative projects and studies with the U.S. Army Corps of Engineers for developing and implementing new flood management projects throughout the Central Valley. DWR shall provide semi-annual updates to the Board on the status of ongoing projects. In addition, DWR shall negotiate Project Cooperation Agreements, Local Project Cooperation
